

ITEM 1.0.0 | PURPOSE

This document sets guidelines for accessibility to places of public accommodation and commercial facilities by individuals with disabilities. These guidelines are to be applied during the design, construction, and alteration of such buildings and facilities to the extent required by regulations issued by Federal agencies, including the **Department of Justice**, under the **Americans with Disabilities Act of 1990**.

The technical specifications 4.2 through 4.35, of access to and usability of the facility. These guidelines are the same as those of the **American National Standards Institute's** document A117.1 1980, except as noted in this text by italics. However, sections 4.1.1 through 4.1.7 and sections 5 through 10 are different from ANSI A117.1 in their entirety and are printed in standard type.

The illustrations and text of ANSI A117.1 are reproduced with permission from the **American National Standards Institute**. Copies of the standard may be purchased from the **American National Standards Institute** at 1430 Broadway, New York, New York 10018.

("1991 Standards for Accessible Design", 28 CFR 36 Appendix D)
