

ARTICLE II POLICY 8 | COST OF GOVERNANCE

Because poor governance costs more than learning to govern well, the Commission will invest in its governance capacity.

Accordingly,

1. Commissioner skills, methods, and supports will be sufficient to assure governing with excellence.
 - a. Training and retraining will be used to orient new Commissioners as well as maintain and increase existing Commissioners' skills and understanding.
 - b. The Commissioners will fully support and cooperate with outside monitoring/audits.
 - c. Outreach mechanisms will be used as needed to ensure the Commissioners' ability to listen to and understand diverse viewpoints.
2. Costs will be prudently incurred, though not at the expense of endangering the development and maintenance of superior capability.
