

3 PJI 6.1 | EXPERT WITNESS

When scientific, technical or other specialized knowledge might be helpful, a person who has special training or experience in that field is allowed to state an opinion about the matter.

But that doesn't mean you must accept the witness's opinion. As with any other witness's testimony, you must decide for yourself whether to rely upon the opinion.

((Rev. 03/2022) | Judicial Council of the United States Eleventh Judicial Circuit)
