

4.1.07 | BRIEF CITATIONS TO THE APPENDIX (EFFECTIVE 07/15/2022)

The Court has implemented a "Citelinks" utility within the Judiciary's CM/ECF system that hyperlinks appendix citations in the briefs to the cited page of the appendix. The Citelinks functionality requires that counsel paginate the appendix using Bates page numbering and a standard format and that citations to the appendix in the brief follow the same format. Citelinks leaves the official filing in PACER unchanged but creates hyperlinks in copies of the briefs and appendices used by the Court. See Appendix Pagination & Brief Citation Guide for additional information.

(4th Circuit Court of Appeals // December 2023)
