

5.2.08 | INTERNET AVAILABILITY OF ARGUMENT AUDIO FILES

Audio links to the court's digitally recorded oral arguments are made available on the court's internet site, without charge. Counsel should not include in their arguments any sensitive personal information (juvenile names, dates of birth, social security numbers, financial account numbers, home addresses in criminal cases) or sealed criminal information (presentence reports, statement of reasons for judgment, juror names, victim statements, sealed plea agreements, or sealed motions for downward departure for substantial assistance).
