

4.04 | WHAT IS THE CASE MANAGEMENT ORDER?

During or after the CMC, the judge will issue a Case Management Order, which sets the schedule for the rest of the case. The Case Management Order will govern the case unless and until it is changed later by the judge.

A Case Management Order "shall not be modified except upon a showing of good cause and by leave of the district judge." Federal Rule of Civil Procedure 16(b). If you want to change the deadlines set forth in the Case Management Order, you will need to file a motion requesting that the deadlines be changed and show good cause for the request.
