

4.05 | WHAT HAPPENS AT A COURT HEARING?

A hearing is a formal court proceeding in which the parties present their arguments to the judge and answer the Judge's questions about the motion or other matter being heard.

Sometimes witnesses can be presented at these hearings. You should prepare for a hearing by reviewing all papers that have been filed for the hearing and expect to answer questions about issues that are being addressed at the hearing. Organize your papers so that you can find things easily when you need to answer the Judge's questions. Be sure to have a pen and paper with you so that you can take notes.
