

**10.01 | LAW LIBRARIES**

If you would like to research the law, court libraries are open to the public. The libraries are open during normal business hours from Monday through Friday if library staff members are available. They are closed on federal holidays and occasionally during an emergency. Calling ahead to make ensure the library will be open is suggested. Here is information about them:

| <b>Jacksonville</b>                                | <b>Orlando</b>                                       | <b>Tampa</b>                                       |
