

11.00 | VISITING THE COURTHOUSE

Each person who enters a federal courthouse must present a valid photo identification, must go through a metal detector, and may be scanned by a handheld wand. Each bag, package, purse, and other item are examined through an x-ray machine. No weapon of any kind is allowed in a courthouse. An electronic device such as a cell phone, a laptop computer, a tablet, and audio-file player and recorder, a camera, broadcasting equipment, a smart watch, smart glasses, and other device is not allowed in a courthouse without a court order or bar identification card. Proper attire (church attire is a good comparison) is expected.
