

2.05 | LIST OF PARTIES AND RELATED CASES

On the page provided, check either the box indicating that the names of all parties appear in the caption of the case on the cover page or the box indicating that there are additional parties. If there are additional parties, list them. Rule 12.6 states that all parties to the proceeding whose judgment is sought to be reviewed shall be deemed parties in this Court, and that all parties other than petitioner shall be respondents. The court whose judgment you seek to have this Court review is not a party.

On the same page, list all cases in other courts that are directly related to the case in this Court. A case is “directly related” if it arises from the same trial court case as the case in this Court (including the proceedings directly on review in this case), or if it challenges the same criminal conviction or sentence as is challenged in this Court, whether on direct appeal or through state or federal collateral proceedings. Below is an example of the format that should be used for this list:

- *Smith v. Jones*, No. 18-cv-200, U. S. District Court for the Western District of Pennsylvania. Judgment entered Oct. 1, 2018.
- *Smith v. Jones*, No. 18-1200, U. S. Court of Appeals for the Third Circuit. Judgment entered Apr. 15, 2019.
