

1-C-1 | BOARD MEMBERS ATTENDING MEETINGS OR SERVING AS MEMBERS OF ANOTHER PUBLIC BOARD

a. Board Members Attending Meetings of Another Public Board

Several Attorney General Opinions have considered whether one or more members of a board may attend or participate in a meeting of another public board. For example, in AGO 99-55, the Attorney General's Office said that a school board member could attend and participate in the meeting of an advisory committee appointed by the school board without prior notice of his or her attendance. However, the opinion cautioned that "if it is known that two or more members of the school board are planning to attend and participate, it would be advisable to note their attendance in the advisory committee meeting notice."

Moreover, while recognizing that commissioners may attend meetings of a second public board and comment on agenda items that may subsequently come before the commission for final action, the Attorney General Opinions have also advised that if more than one "commissioner is in attendance at such a meeting, no discussion or debate may take place among the commissioners on those issues." AGO 00-68. Accord AGO 98-79 (city commissioner may attend a public community development board meeting held to consider a proposed city ordinance and express his or her views on the proposed ordinance even though other city commissioners may be in attendance; however, the city commissioners in attendance may not engage in a discussion or debate among themselves because "the city commission's discussions and deliberations on the proposed ordinance must occur at a duly noticed city commission meeting"). See also AGOs 05-59 and 77-138.

b. Board Members Serving as Members of Another Public Board

Board members who also serve on a second public board may participate in the public meetings of the second board held in accordance with s. 286.011, F.S., and express their opinions without violating the Sunshine Law. AGO 07-13. In other words, "when two county commissioners are presently serving on [a regional planning] council this does not turn a meeting of the planning council into a county commission meeting, and the Sunshine Law does not require any additional or different notice of planning council meetings because of the presence of these county commission members." Id.

Similarly, AGO 98-14 concluded that membership of three city council members on the metropolitan planning organization did not turn a council meeting into a metropolitan planning organization meeting that required separate notice. Because, however, the discussion of metropolitan planning organization matters was planned for the council meeting, the city council had properly included mention of such items in its notice of the council meeting.

Additionally, in AGO 91-95, the Attorney General's Office concluded that a county commissioner may attend and participate in the discussion at a public meeting held by the governing board of a county board on which another commissioner serves. However, "in an effort to satisfy the spirit of the Sunshine Law," the opinion also recommended that the published notice of the county board "include mention of the anticipated attendance and participation of county commission members in board proceedings." Id.
