

SECTION III | USER AGREEMENTS

The FCTC, in conjunction with the clerks, must develop and maintain agreements clearly defining responsibilities for user access.

Clerks may use an online agreement, instead of a paper agreement, that requires users to agree to terms using an online click-through (for example, clicking on the "I AGREE" button, as with other online term agreements) as long as the agreement terms are versioned so that updates can be tracked. When agreement terms change, users are required to accept the new terms, either electronically or in paper. A notarized agreement is required for each user role, except for Registered User role as defined by the Matrix. User agreements submitted in paper shall be retained by the clerk.
