

SECTION IV | GATEKEEPER

In an effort to effectively manage access and ensure security, an agency may utilize one or more gatekeepers, or a designee authorized by an agency head, or an authorized gatekeeper who shall be an employee of that agency, for the purpose of adding, updating, and deleting user or agency information. A gatekeeper shall only add users commensurate with an agency's user role type and/or as registered users. Each agency shall be responsible for ensuring that each user added by the gatekeeper is only given access that is commensurate to their job duties. Nothing in this definition shall nullify any other duty imposed upon the gatekeeper by the Board.
