Purpose

This rule is to be repealed. There will be no adverse effect on the public.

Summary

Rule 60Y-1.002, F.A.C. reiterates the requirements found in Rule 28-109, F.A.C.

Regulatory Costs

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The proposed rule repeal is to a procedural rule and will have no economic impact, and therefore, will not require ratification. There are no applicable federal standards that relate to Rule 60Y-1.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

Notification

IF REQUESTED WITHIN 21 DAYS OF THE DATE OF THIS NOTICE, A HEARING WILL BE SCHEDULED AND ANNOUNCED IN THE FAR.
