Commentary

Canons 6B and 6C. Subparagraph A prescribes guidelines for additional compensation, reimbursements, or direct payments of expenses, and waivers of fees or charges accepted by a judge.

Subparagraphs B and C prescribe the three types of financial disclosure reports required of each judicial officer. The filing of the disclosure reports required under Canon 6B is the only public disclosure of financial interests, compensation, gifts, expense reimbursements, or other benefits that a judge is required to make under this Code or the Florida Constitution. By filing the required disclosure reports, a judge fulfills all the expectations of conduct, and ethical and constitutional requirements related to such disclosure.

The first disclosure report is the Ethics Commission's constitutionally required form pursuant to Article II, Section 8, of the Constitution. It must be filed each year as prescribed by law. The financial reporting period is for the previous calendar year. A final disclosure statement generally is required when a judge leaves office. The filing of the income tax return is a permissible alternative.

The second is a report of gifts, reimbursements or direct payments of expenses, and waivers of fees or charges accepted during the preceding calendar year to be filed publicly with the Florida Commission on Ethics. The gifts to be reported are in accordance with Canons 5D(5)(a) and 5D(5)(h). The expense reimbursements and payments, and waivers to be reported are in accordance with Canon 6A(3). This reporting is in lieu of that prescribed by statute as stated in the Supreme Court's opinion rendered in *In re Code of Judicial Conduct*, 281 So.2d 21 (Fla.1973). The form for this report is as follows:

The third financial disclosure report is prescribed in subparagraph C. This provision ensures that there will be complete financial information for all judicial officers available with the Judicial Qualifications Commission by requiring that full disclosure be filed confidentially with the Judicial Qualifications Commission in the event the limited disclosure alternative is selected under the provisions of Article II, Section 8.

The amendment to this Canon requires in 6B(2) a separate gift report to be filed with the Florida Commission on Ethics on or before July 1 of each year. The form to be used for that report is included in the commentary to Canon 6. It should be noted that Canon 5, as it presently exists, restricts and prohibits the acceptance of certain gifts. This provision is not applicable to other public officials.

With reference to financial disclosure if the judge chooses the limited disclosure alternative available under the provision of Article II, Section 8, of the Constitution of Florida, without the inclusion of the judge's Federal Income Tax Return, then the judge must file with the Commission a list of the names of corporations or other business entities in which the judge has a financial interest even though the amount is less than \$1,000. This information remains confidential until a request is made by a party to a cause before the judge. This latter provision continues to ensure that complete financial information for all judicial officers is available with the Judicial Qualifications Commission and that parties who are concerned about a judge's possible financial interest have a means of obtaining that information as it pertains to a particular cause before the judge.
