Commentary

Canon 6D. Section 3E requires a judge to disqualify himself or herself in any proceeding in which the judge has an economic interest. See “economic interest” as explained in the Definitions Section. Canon 5D requires a judge to refrain from engaging in business and from financial activities that might interfere with the impartial performance of judicial duties; Section 6B. requires a judge to report all compensation the judge received for activities outside judicial office. A judge has the rights of any other citizen, including the right to privacy of the judge's financial affairs, except to the extent that limitations established by law are required to safeguard the proper performance of the judge's duties.
