

RULE 40-2 | NUMBER OF COPIES

Four copies of a petition for rehearing pursuant to FRAP 40 shall be filed. Use of the ECF system does not modify the requirement that filers must provide to the court four paper copies of a petition for rehearing. Filers will be considered to have complied with this requirement if, on the day the electronic petition is filed, the filer sends four paper copies to the clerk using one of the methods outlined in FRAP 25(a) (2) (A) (ii).
