

LOCAL RULE 25 | SELF-REPRESENTED ("PRO SE") PARTIES

If you represent yourself, any requests you are making of the Judge needs to be in EMAIL. The Judicial Assistant is not a lawyer and handles scheduling only, therefore, do not call and ask for advice on what to file or how to prepare anything. On some matters, you may be able to go to the Clerk of Court's office on the fourth floor and they can help you with their forms.
