

RULE E | ACTIONS IN REM AND QUASI IN REM: GENERAL PROVISIONS**(1) Statement of Itemized Damages and Expenses Required.**

Every complaint in a Supplemental Rule B and C action shall state the amount of the debt, damages, or salvage for which the action is brought. In addition, the statement shall also specify the amount of any unliquidated claims, including attorneys' fees.

(2) Requirements and Procedures for Effecting Intervention.

Whenever a vessel or other property is arrested or attached in accordance with any Supplemental Rule, and the vessel or property is in the custody of the United States Marshal, or duly authorized substitute custodian, any other person having a claim against the vessel or property shall be required to present their claim as indicated below:

(a) *Intervention of Right When No Sale of the Vessel or Property Is Pending.* Except as limited by Local Admiralty Rule E(2)(b), any person having a claim against a vessel or property previously arrested or attached by the Marshal may, as a matter of right, file an intervening complaint at any time before an order is entered by the Court scheduling the vessel or property for sale.

Coincident with the filing of an intervening complaint, the offering party shall prepare and file a supplemental warrant of arrest and/or a supplemental process of attachment and garnishment.

Upon receipt of the intervening complaint and supplemental process, the Clerk of the Court shall conform a copy of the intervening complaint and shall issue the supplemental process. Thereafter, the offering party shall deliver the conformed copy of the intervening complaint and supplemental process to the Marshal for execution. Upon receipt of the intervening complaint and supplemental process, the Marshal shall re-arrest or re-attach the vessel or property in the name of the intervening plaintiff.

Counsel for the intervening party shall serve a copy of the intervening complaint, and copies of all process and exhibits upon all other counsel of record, and shall thereafter file and serve a certificate of service with

the Clerk of the Court indicating the manner and date of service.

(b) *Permissive Intervention When the Vessel or Property Has Been Scheduled for Sale by the Court.* Except as indicated below, and subject to any other rule or order of this Court, no person shall have an automatic right to intervene in an action where the Court has ordered the sale of the vessel or property, and the date of the sale is set within twenty-one (21) days from the date the party moves for permission to intervene in accordance with this subsection. In such cases, the person seeking permission to intervene must:

(i) File and serve a motion to intervene and indicate in the caption of the motion a request for expedited hearing when appropriate.

(ii) Include a copy of the anticipated intervening complaint as an exhibit to the motion to intervene.

(iii) Prepare and offer for filing a supplemental warrant of arrest and/or a supplemental process of attachment and garnishment.

(iv) Serve copies of the motion to intervene, with exhibits and proposed supplemental process upon every other party to the litigation.

(v) File and serve a certificate of service indicating the date and manner of service.

Thereafter, the Court may permit intervention under such conditions and terms as are equitable to the interests of all parties; and if intervention is permitted, shall also direct the Clerk of the Court to issue the supplemental process.

Upon receipt of the order permitting intervention, the Clerk of the Court shall file the originally signed intervening complaint, conform a copy of the intervening complaint and issue the supplemental process.

Thereafter, the offering party shall deliver the conformed copy of the intervening complaint and supplemental process to the Marshal for execution. Upon receipt of the intervening complaint and

supplemental process, the Marshal shall re-arrest or re-attach the vessel or property in the name of the intervening plaintiff.

Counsel for the intervening party shall also serve a copy of the intervening complaint, exhibits, and supplemental process upon every other party of record and shall thereafter file and serve a Certificate of Service with the Clerk of the Court indicating the manner and date of service.

(3) Special Requirements for Salvage Actions. In cases of salvage, the complaint shall also state to the extent known, the value of the hull, cargo, freight, and other property salvaged, the amount claimed, the names of the principal salvors, and that the suit is instituted in their behalf and in behalf of all other persons associated with them.

In addition to these special pleading requirements, plaintiff shall attach as an exhibit to the complaint a list of all known salvors, and all persons believed entitled to share in the salvage. Plaintiff shall also attach a copy of any agreement of consortium available and known to exist among them collegially or individually.

(4) Form of Stipulation or Bonds. Except in cases instituted by the United States through information, or complaint of information upon seizures for any breach of the revenues, navigation, or other laws of the United States, stipulations or bonds in admiralty and maritime actions need not be under seal and may be executed by the agent or attorney of the stipulator or obligor.

(5) Deposit of Marshal's Fees and Expenses Required Prior to Effecting Arrest, Attachment and/or Garnishment.

(a) *Deposit Required Before Seizure.* Any party seeking the arrest or attachment of property in accordance with Supplemental Rule E shall deposit a sum with the Marshal sufficient to cover the Marshal's estimated fees and expenses of arresting and keeping the property for at least fourteen (14) days. The Marshal is not required to execute process until the deposit is made.

(b) *Proration of Marshal's Fees and Expenses upon Intervention.* When one or more parties intervene pursuant to Local Admiralty Rule E(2)(a) or (b), the

burden of advancing sums to the Marshal sufficient to cover the Marshal's fees and expenses shall be allocated equitably between the original plaintiff, and the intervening party or parties as indicated below:

(i) Stipulation for the Allocation and Payment of the Marshal's Fees and Expenses. Immediately upon the filing of the intervening complaint, counsel for the intervening plaintiff shall arrange for a conference between all other parties to the action, at which time a good faith effort shall be made to allocate fees and expenses among the parties. Any resulting stipulation between the parties shall be codified and filed with the Court and a copy served upon the Marshal.

(ii) Allocation of Costs and Expenses in the Event That Counsel Cannot Stipulate. The Court expects that counsel will resolve the allocation of costs and expenses in accordance with the preceding paragraph. In the event that such an arrangement cannot be made, the parties shall share in the fees and expenses of the Marshal in proportion to their claims as stated in the original and intervening complaints.

In order to determine the proportionate shares of each party, counsel for the last intervening plaintiff shall determine the total amounts claimed by each party. The individual claims shall be determined from the original and amended complaint, and all other intervening complaints subsequently accepted and processed by the Marshal in accordance with Local Admiralty Rule E(2)(a) or (b).

Thereafter, counsel for the last intervening plaintiff shall deliver to the Marshal a list which summarizes each party's claim, and the proportion which each party's claim bears to the aggregate claims asserted in the litigation, determined to the nearest one-tenth of one percentage point.

Upon receipt of this listing, the Marshal shall determine the total expenses incurred to date and shall estimate the expenses to be incurred during the next fourteen (14) days. For the purpose of making this

calculation, the total fees and expenses shall be calculated from the date when continuous and uninterrupted arrest or attachment of the property began, and not prorated from the date a particular party's intervening complaint was filed.

The Marshal shall then apply the percentages determined in the listing, and shall compute the amount of the intervening party's initial deposit requirements. The Marshal shall also utilize this listing to compute any additional deposit requirements which may be necessary pursuant to Local Admiralty Rule E(5)(c).

The Marshal need not re-arrest or re-attach the vessel and/or property until the deposit is received from the intervening plaintiff.

(c) *Additional Deposit Requirements.* Until the property arrested or attached and garnished has been released or otherwise disposed of in accordance with Supplemental Rule E, the Marshal may require from any original and intervening party who has caused the arrest or attachment and garnishment of a vessel or property, to post such additional deposits as the Marshal determines necessary to cover any additional estimated fees or expenses.

(d) *Judicial Relief from Deposit Requirements.* Any party aggrieved by the deposit requirements of Local Admiralty Rule E(5)(b) may apply to the Court for relief. Such application shall be predicated upon a showing that owing to the relative priorities of the claims asserted against the vessel or other property, the deposit requirements operate to impose a burden disproportionate to the aggrieved party's recovery potential.

The judicial officer may adjust the deposit requirements, but in no event shall the proportion required of an aggrieved party be reduced to a percentage less than that imposed upon the claimant whose claim is the smallest among that of claims which the aggrieved party stipulates as having priority over its claim; or, in the absence of such stipulation, the greatest percentage imposed upon any claimant participating in the deposit requirements.

(e) *Consequence of Failing to Comply With Additional Deposit Requirements.* Any party who fails to make the additional deposit as requested by the Marshal may not participate further in the proceeding, except for the purpose of seeking relief from this rule.

Additionally, the Marshal shall notify the Court in writing whenever any party fails to make additional deposits as required by Local Admiralty Rule E(5)(c).

In the event that a party questions its obligations to advance monies required by this rule, the Marshal may apply to the Court for instructions concerning that party's obligation under the rule.

(6) Property in Possession of a United States Officer.

Whenever the property to be arrested or attached is in custody of a United States officer, the Marshal shall serve the appropriate process upon the officer or employee; or, if the officer or employee is not found within the District, then to the custodian of the property within the District.

The Marshal shall direct the officer, employee or custodian not to relinquish custody of the property until ordered to do so by the Court.

(7) Process Held in Abeyance.

(a) *When Permitted.* In accordance with Supplemental Rule E(3)(b), a plaintiff may ask the Clerk of the Court not to issue process, but rather to hold the process in abeyance. The Clerk of the Court shall docket this request, and thereafter shall not be responsible for ensuring that process is issued at a later date.

(b) *When Intervention Is Subsequently Required.* It is the intention of these rules that a vessel or other property should be arrested or attached pursuant to process issued and effected in only one civil action. Therefore, if while process is held in abeyance on one action, the vessel or property is arrested or attached in another action, it shall be the responsibility of the plaintiff who originally requested process be held in abeyance in the first action to voluntarily dismiss without prejudice the first action, insofar as that action seeks to proceed against the property arrested or attached in the second action, and promptly intervene in

the second action pursuant to Local Admiralty Rule E(2) (a) or (b) .

In order to prevent undue hardship or manifest injustice, motions to consolidate in rem actions against the same vessel or property will be granted only in exceptional circumstances.

(8) Release of Property in Accordance With Supplemental Rule E(5) .

(a) *Release by Consent or Stipulation.* Subject to the limitations imposed by Supplemental Rule E(5)(c), the Marshal may release any vessel, cargo or property in the Marshal's possession to the party on whose behalf the property is detained. However, as a precondition to release, the Marshal shall require a stipulation, bond, or other security, expressly authorizing the release. The authorizing instrument shall be signed by the party, or the party's attorney, on whose behalf the property is detained. The stipulation, bond, or other security shall be posted in an amount equal to, or greater than, the amount required for the following types of action:

(i) Actions Entirely for a Sum Certain. The amount alleged to be due in the complaint, with interest at six percent per annum from the date claimed to be due to a date twenty-four months after the date the claim was filed, or by filing an approved stipulation, or bond for the amount alleged plus interest as computed in this subsection.

The stipulation or bond shall be conditioned to abide by all orders of the Court, and to pay the amount of any final judgment entered by this Court or any appellate Court, with interest. This provision applies regardless of whether any vessel, cargo, or property has been detained.

(ii) Actions other than Possessory, Petitory or Partition. Unless otherwise ordered by the Court, the amount of the appraised or agreed value of the property seized, with interest. If an appraised value cannot be agreed upon by the parties, the Court shall order an appraisal in accordance with Local Admiralty Rule F(3) .

The stipulation or bond shall be conditioned to abide by all orders of the Court, and to pay the amount of any final judgment entered by this Court or any appellate Court, with interest.

The person consenting or stipulating to the release shall also file a claim in accordance with Local Admiralty Rule E(2) (a) or (b).

(iii) Possessory, Petitory or Partition Actions. The Marshal may release property in these actions only upon order of Court, and upon the subsequent deposit of security and compliance with such terms and/or conditions as the Court deems appropriate.

(b) *Release Pursuant to Court Order.* In accordance with Supplemental Rule E(5)(c), a party may petition to release the vessel pursuant to Court order. A party making such application shall file and serve a Request for Release which shall substantially conform in format and content to the form identified as SDF 8 on the Court's website (www.flsd.uscourts.gov). Additionally, the party shall prepare, and offer for filing, a proposed order directing the release. This order shall substantially conform in format and content to the form identified as SDF 9 on the Court's website (www.flsd.uscourts.gov).

However, as a precondition to the release, the Marshal shall require a stipulation, bond, or other security, as specified in Local Admiralty Rule E(8)(a)(i), (ii), or (iii), as appropriate.

(c) *Upon the Dismissal or Discontinuance of an Action.* By coordinating with the Marshal to ensure that all costs and charges of the Court and its officers have first been paid.

(d) *Release Subsequent to the Posting of a General Bond.*

(i) Requirements of a General Bond. General bonds filed pursuant to Supplemental Rule E(5)(b) shall identify the vessel by name, nationality, dimensions, official number or registration number, hailing port and port of documentation.

(ii) Responsibility for Maintaining a Current Listing of General Bonds. The Clerk of the Court shall maintain a current listing of all general bonds. This listing should be maintained in alphabetical order by name of the vessel. The listing will be available for inspection during normal business hours.

(iii) Execution of Process. The arrest of a vessel covered by a general bond shall be stayed in accordance with Supplemental Rule E(5)(b), however, the Marshal shall serve a copy of the complaint upon the master or other person in whose charge or custody the vessel is found. If neither the master nor another person in charge of custody is found aboard the vessel, the Marshal shall make the return accordingly.

Thereafter, it shall be plaintiff's responsibility to advise the owner or designated agent, at the address furnished in the general bond, of (1) the case number; (2) nature of the action and the amount claimed; (3) the plaintiff and name and address of plaintiff's attorney; and (4) the return date for filing a claim.

(9) Application to Modify Security for Value and Interest. At any time, any party having an interest in the subject matter of the action may move the Court, on due notice and for cause, for greater, better or lesser security, and any such order may be enforced by attachment or as otherwise provided by law.

(10) Custody and Safekeeping.

(a) *Initial Responsibility.* The Marshal initially shall take custody of any vessel, cargo, and/or other property arrested or attached in accordance with these rules. (Practitioner's Note: Notwithstanding the foregoing, in this District it is the practice of the Marshal to not take custody of any arrested vessel or execute an arrest warrant until as a substitute custodian is in place.) If the Marshal takes custody of any such arrested or attached property before a substitute custodian is authorized in accordance with Local Admiralty Rule E(10)(c), then the Marshal shall be responsible for

providing adequate and necessary security for the safekeeping of the property until the substitute custodian is appointed.

In the discretion of the Marshal, such adequate and necessary security may include the placing of keepers on or near the vessel and/or the appointment of a facility or person to serve as a custodian of the vessel or property.

(b) *Limitations on the Handling, Repairing and Subsequent Movement of Vessels or Property.* Subsequent to the arrest or attachment of a vessel or property, and except as provided in Local Admiralty Rule E(10)(a), no person may handle cargo, conduct repairs, or move a vessel without prior order of Court. Notwithstanding the foregoing, the custodian or substitute custodian is obligated to comply with any orders issued by the Captain of the Port, United States Coast Guard, including an order to move the vessel; and to comply with any applicable federal, state, or local laws or regulations pertaining to vessel and port safety. Any movement of a vessel pursuant to such requirements must not remove the vessel from the District and shall be reported to the Court within twenty-four hours of the vessel's movement.

(c) *Procedures for Changing Custody Arrangements.* Any party may petition the Court to dispense with keepers, remove or place the vessel, cargo and/or other property at a specified facility, designate a substitute custodian for the vessel or cargo, or for other similar relief. The motion shall substantially conform in format and content to the form identified as SDF 5 on the Court's website (www.flstd.uscourts.gov).

(i) *Notification of the Marshal Required.* When an application for change in custody arrangements is filed, either before or after the Marshal has taken custody of the vessel or property, the filing party shall serve notice of the application on the Marshal in sufficient time to permit the Marshal to review the indemnification and insurance arrangements of the filing party and substitute custodian. The application shall also be served upon all other parties to the litigation.

(ii) Indemnification Requirements. Any motion for the appointment of a substitute custodian or facility shall include as an exhibit to the motion, a consent and indemnification agreement signed by both the filing party, or the filing party's attorney, and the proposed substitute custodian.

The consent and indemnification agreement shall expressly release the Marshal from any and all liability and responsibility for the care and custody of the property while in the hands of the substitute custodian; and shall expressly hold the Marshal harmless from any and all claims whatsoever arising from the substitute custodianship. The agreement shall substantially conform in format and content to the form identified as SDF 6 on the Court's website (www.flsd.uscourts.gov).

(iii) Court Approval Required. The motion to change custody arrangements, and indemnification and consent agreement shall be referred to a judicial officer who shall determine whether the facility or substitute custodian is capable of safely keeping the vessel, cargo and/or property.

(d) *Insurance Requirements.*

(i) Responsibility for Initially Obtaining Insurance. Concurrent with the arrest or attachment of a vessel or property, the Marshal shall obtain insurance to protect the Marshal, the Marshal's deputies, keepers, and custodians from liability arising from the arrest or attachment.

The insurance shall also protect the Marshal and the Marshal's deputies or agents from any liability arising from performing services undertaken to protect the vessel, cargo and/or property while that property is in the custody of the Court.

(ii) Payment of Insurance Premiums. It shall be the responsibility of the party applying for the arrest or attachment of a vessel, cargo and/or property to promptly reimburse the Marshal for premiums paid to effect the necessary insurance.

The party applying for change in custody arrangements shall be responsible for paying the Marshal for any additional premium associated with the change.

(iii) Taxation of Insurance Premiums. The premiums charged for the liability insurance will be taxed as an expense of custody while the vessel, cargo and/or property is in custodia legis.

(11) Preservation, Humanitarian and Repatriation Expenses.

(a) *Limitations on Reimbursement for Services and/or Supplies Provided to a Vessel or Property in Custody.* Except in cases of emergency or undue hardship, no person will be entitled to claim as an expense of administration the costs of services or supplies furnished to a vessel, cargo and/or property unless such services or supplies have been furnished to the Marshal upon the Marshal's order, or pursuant to an order of this Court.

Any order issued pursuant to this subsection shall require the person furnishing the services or supplies to file a weekly invoice. This invoice shall be set forth in the format prescribed in Local Admiralty Rule E(11) (e).

(b) *Preservation Expenses for the Vessel and Cargo.* The Marshal, or substitute custodian, is authorized to incur expenses reasonably deemed necessary in maintaining the vessel, cargo and/or property in custody for the purpose of preventing the vessel, cargo and/or property from suffering loss or undue deterioration.

(c) *Expenses for Care and Maintenance of a Crew.* Except in an emergency, or upon the authorization of a judicial officer, neither the Marshal nor substitute custodian shall incur expenses for feeding or otherwise maintaining the crew.

Applications for providing food, water and necessary medical services for the maintenance of the crew may be submitted, and decided ex parte by a judicial officer, providing such an application is made by some person other than the owner, manager or general agent of the vessel.

Such applications must be filed and served within thirty (30) days from the date of the vessel's initial seizure. Otherwise, except in the case of an emergency, such applications shall be filed and served upon all parties, who in turn shall have fourteen (14) days from receipt of the application to file and serve a written response, beginning on the next calendar day, including Saturday, Sunday, or a legal holiday.

Expenses for feeding or otherwise maintaining the crew, when incurred in accordance with this subsection, shall be taxed as an expense of administration and not as an expense of custody.

(d) *Repatriation Expenses.* Absent an order of Court expressly ordering the repatriation of the crew and/or passengers, and directing that the expenses be taxed as a cost of administration, no person shall be entitled to claim these expenses as expenses of administration.

(e) *Claim by a Supplier for Payment of Charges.* Any person who claims payment for furnishing services or supplies in compliance with Local Admiralty Rule E(11), shall submit an invoice to the Marshal's Office for review and approval.

The claim shall be presented in the form of a verified claim, and shall be submitted within a reasonable time after furnishing the services or supplies, but in no event shall a claim be accepted after the vessel, or property has been released. The claimant shall file a copy of the verified claim with the Marshal, and also serve the substitute custodian and all other parties to the litigation.

The Marshal shall review the claim, make adjustments or recommendations to the claim as are appropriate, and shall thereafter forward the claim to the Court for approval. The Court may postpone the hearing on an individual claim until a hearing can be set to consolidate other claims against the property.

(12) Property in Incidental Custody and Otherwise Not Subject to the Arrest or Attachment.

(a) *Authority to Preserve Cargo in Incidental Custody.* The Marshal, or an authorized substitute custodian,

shall be responsible for securing, maintaining and preserving all property incidentally taken into custody as a result of the arrest or attachment of a vessel or property. Incidental property may include, but shall not be limited to, laden cargo not itself the subject of the arrest or attachment.

The Marshal or other custodian shall maintain a separate account of all costs and expenses associated with the care and maintenance of property incidentally taken into custody.

Any person claiming entitlement to possession of property incidentally taken into custody shall be required, as a precondition of receiving possession, to reimburse the Marshal for such separately accounted expenses. Monies received by the Marshal will be credited against both the expense of custody and administration.

(b) *Separation, Storage and Preservation of Property in Incidental Custody.* Any party, or the Marshal, may petition the Court to permit the separation and storage of property in incidental custody from the property actually arrested or attached.

When separation of the property is ordered to protect the incidentally seized property from undue deterioration; provide for safer storage; meet an emergency; reduce the expenses of custody; or to facilitate a sale of the vessel or other property pursuant to Local Admiralty Rule E(16); the costs of such separation shall be treated as an expense of preservation and taxed as a cost of custody.

(c) *Disposal of Unclaimed Property.* Property incidentally in custody and not subsequently claimed by any person entitled to possession, shall be disposed of in accordance with the laws governing the disposition of property abandoned to the United States of America.

Except when prohibited by prevailing federal statute, the resulting net proceeds associated with the disposition of abandoned property shall be applied to offset the expense of administration, with the remainder

escheating to the United States of America as provided by law.

(13) Dismissal.

(a) *By Consent.* No action may be dismissed pursuant to Federal Rule of Civil Procedure 41(a) unless all costs and expenses of the Court and its officials have first been paid.

Additionally, if there is more than one plaintiff or intervening plaintiff, no dismissal may be taken by a plaintiff unless that party's proportionate share of costs and expenses has been paid in accordance with Local Admiralty Rule E(6).

(b) *Involuntary Dismissal.* If the Court enters a dismissal pursuant to Federal Rule of Civil Procedure 41(b), the Court shall also designate the costs and expenses to be paid by the party or parties so dismissed.

(14) Judgments.

(a) *Expenses of Sureties as Costs.* If costs are awarded to any party, then all reasonable premiums or expenses paid by the prevailing party on bonds, stipulations and/or other security shall be taxed as costs in the case.

(b) *Costs of Arrest or Attachment.* If costs are awarded to any party, then all reasonable expenses paid by the prevailing party incidental to, or arising from the arrest or attachment of any vessel, property and/or cargo shall be taxed as costs in the case.

(15) Stay of Final Order.

(a) *Automatic Stay for Fourteen Days.* In accordance with Federal Rule of Civil Procedure 62(a), no execution shall issue upon a judgment, nor shall seized property be released pursuant to a judgment or dismissal, until fourteen (14) days after the entry of the judgment or order of dismissal.

(b) *Stays Beyond the Fourteen Day Period.* If within the fourteen (14) day period established by Federal Rule of Civil Procedure 62(a), a party files any of the motions contemplated in Federal Rule of Civil Procedure 62(b),

or a notice of appeal, then unless otherwise ordered by the Court, a further stay shall exist for a period not to exceed thirty (30) days from the entry of the judgment or order. The purpose of this additional stay is to permit the Court to consider an application for the establishment of a supersedeas bond and to order the date upon which the bond shall be filed with the Court.

(16) Notice of Sale.

(a) *Publication of Notice.* In an action in rem or quasi in rem, and except in suits on behalf of the United States of America where other notice is prescribed by statute, the Marshal shall publish notice in any of the newspapers approved pursuant to Local Admiralty Rule A(7).

(b) *Duration of Publication.* Unless otherwise ordered by the Court, applicable Supplemental Rule, or Local Admiralty Rule, publication of the notice of sale shall be made at least twice; the first publication shall be at least fourteen (14) days prior to the date of the sale, and the second at least seven (7) days prior to the date of the sale.

(17) Sale of a Vessel or Property.

(a) *Payment of the Purchase Price.* Unless otherwise provided in the order of sale, the person whose bid is accepted shall pay the Marshal the purchase price in the manner provided below;

(i) If the Bid Is Not More Than \$500.00. The successful bidder shall immediately pay the full purchase price.

(ii) If the Bid Is More Than \$500.00. The bidder shall immediately deposit with the Marshal \$500.00, or ten percent of the bid, whichever sum is greater. Thereafter the bidder shall pay the remaining purchase price within seven (7) days.

If an objection to the sale is filed within the time permitted by Local Admiralty Rule E(17)(g), the successful bidder is excused from paying the remaining purchase price until seven (7) days after the Court confirms the sale.

(b) *Method of Payment.* Unless otherwise ordered by the Court, payments to the Marshal shall be made in cash, certified check or cashier's check.

(c) *Custodial Costs Pending Payment.* When a successful bidder fails to pay the balance of the bid within the time allowed by Local Admiralty Rule E(17)(a)(ii), or within the time permitted by order of the Court, the Marshal shall charge the successful bidder for the cost of keeping the property from the date payment of the balance was due, to the date the bidder takes delivery of the property.

The Marshal may refuse to release the property until these additional charges have been paid.

(d) *Default for Failure to Pay the Balance.* The person who fails to pay the balance of the bid within the time allowed shall be deemed to be in default. Thereafter a judicial officer may order that the sale be awarded to the second highest bidder, or may order a new sale as appropriate.

Any sum deposited by the bidder in default shall be forfeited, and the amount shall be applied by the Marshal to any additional costs incurred because of the forfeiture and default, including costs incident to resale. The balance of the deposit, if any, shall be retained in the registry and subject to further order of the Court.

(e) *Marshal's Report of Sale.* At the conclusion of the sale, the Marshal shall file and serve a written report of the sale to include the date of the sale, the price obtained, and the name and address of the buyer.

(f) *Confirmation of Sale.* Unless an objection is timely filed in accordance with this rule, or the purchaser is in default for failing to pay the balance of the purchase price, plaintiff shall proceed to have the sale confirmed on the day following the last day for filing objections.

In order to confirm the sale, plaintiff's counsel shall file and serve a "Request for Confirmation of Sale" on the day following the last day for filing an objection. See forms available on the Court's website

(www.flsd.uscourts.gov). Plaintiff's counsel shall also prepare and offer for filing a "Confirmation of the Sale." See forms available on the Court's website (www.flsd.uscourts.gov). Thereafter the Clerk of the Court shall file and docket the confirmation and shall promptly transmit a certified copy of the "Confirmation of Sale" to the Marshal's Office.

Unless otherwise ordered by the Court, if the plaintiff fails to timely file the "Request for Confirmation of Sale" and proposed "Confirmation of Sale," the Marshal shall assess any continuing costs or expenses for custody of the vessel or property against the plaintiff.

(g) *Objections to Confirmation.*

(i) Time for Filing Objections. Unless otherwise permitted by the Court, an objection must be filed within seven (7) days following the sale. The party or person filing an objection shall serve a copy of the objection upon the Marshal and all other parties to the action, and shall also file and serve a Certificate of Service indicating the date and manner of service. Opposition to the objection must be filed within seven (7) days after receipt of the objection of the sale.

The Court shall consider the objection, and any opposition to the objection, and shall confirm the sale, order a new sale, or grant other relief as appropriate.

(ii) Deposit of Preservation or Maintenance Costs. In addition to filing and serving written objections, any person objecting to the sale shall also deposit with the Marshal the cost of keeping the property for at least fourteen (14) days. Proof of the deposit with the Marshal's Office shall be delivered to the Clerk of the Court's Office by the moving party. The Court will not consider the objection without proof of this deposit.

If the objection is sustained, the objector will be reimbursed for the expense of keeping the property from the proceeds of any subsequent sale, and any

remaining deposit will be returned to the objector upon Court order.

If the objection is denied, the sum deposited by the objector will be applied to pay the fees and expenses incurred by the Marshal in keeping the property from the date the objection was filed until the sale is confirmed. Any remaining deposit will be returned to the objector upon order of Court.

(h) *Confirmation of Title.* Failure of a party to give the required notice of an action and arrest of a vessel, property and/or cargo, or failure to give required notice of a sale, may afford grounds for objecting to the sale, but such failure does not affect the title of a good faith purchaser of the property.

(18) Post-Sale Claim. Claims against the proceeds of a sale authorized by these rules, except for seamen's wages, will not be admitted on behalf of lienors who file and serve their claims after the sale.

Unless otherwise ordered by the Court, any claims filed after the date of the sale shall be limited to the remnants and surplus arising from the sale.

Effective December 1, 1994. Amended effective April 15, 1998; April 15, 2007; April 15, 2010; April 15, 2011; December 1, 2014; December 1, 2015; December 1, 2017; December 3, 2018; December 2, 2019.

Advisory Notes

(1993) **Local Admiralty Rule E(1).** This section continues the provisions of former Local Rule 7(c).

Local Admiralty Rule E(2). This section is new. The rules do not require an intervening plaintiff to undertake the formal steps required to issue the original process of arrest or attachment pursuant to Local Admiralty Rule B(3) or C(2); rather the Committee believes that intervening parties need only apply for supplemental process, which in accordance with the August 1, 1985, amendments to Supplemental Rule B and C, may be issued by the Clerk of the Court without further order of the Court. The Committee recommends the re-arrest or re-attachment provisions of this rule in order to accommodate the administrative and records keeping requirements of the Marshal's Office.

The revision also reflects the elimination of the initial security deposit formerly required by Local Admiralty Rule 5(e). The Marshal shall, however, assess custodial costs against the intervening plaintiff in accordance with Local Admiralty Rule E(5)(b).

Local Admiralty Rule E(3). This section continues the provisions of former Local Rule 7(e).

Local Admiralty Rule E(4). This section continues the provisions of former Local Rule 6.

Local Admiralty Rule E(5). The Marshal, as an officer of the Court whose fiscal affairs are regulated by statute and order, is precluded by law from expending funds of the United States to maintain custody of vessels or other property pursuant to claims being asserted by the several states, any foreign sovereigns, or any private parties. This prohibition extends to incurring obligations which, if not satisfied, otherwise might be asserted as a claim against the United States. Consequently, before undertaking to arrest or attach property, the Marshal must receive funds in advance of incurring such obligations sufficient to satisfy them.

Past experience indicates that not infrequently vessels or other properties arrested for nonpayment of incurred obligations will be ultimately sold for satisfaction, to the extent possible, of pending claims. In such cases, substitute security is never given, and the property must be retained in custody for a sufficient period of time to permit the Court to determine the status of the situation and to order appropriate procedures. In such instances, custodial costs tend to be substantial and, by the very nature of the circumstances, the claimants and potential claimants can be both large in number and will vary markedly in the amounts of their respective individual claims. Apportioning the obligation to make advances against custodial costs over this range of claims and claimants has resulted in frequent calls for judicial intervention.

It was the Committee's view that a system initially self-executing and ministerial would minimize situations calling for judicial intervention while affording the Marshal the protection of assured and certain procedures. At the same time, the Committee was strongly of the opinion that the rules should do substantial equity as between claims showing wide variation in amounts and potential priorities and, at the same time, should be so structured as to require all potential claimants to come forward and share in the cost of custody, discouraging the sometime practice of claimants' waiting to intervene until the last moment in order to allow other parties to bear the burdens of making such advances.

A concern was expressed about the position of parties having large, but clearly inferior claims, who, in equity should not be required to share on a prorated value-of-the-claim-asserted basis with claimants who have obvious priority. A typical example of such a situation would involve a mortgagee of a foreign-flag vessel appearing as a claimant in an action along with lien claimants alleging to have supplied necessities to a vessel in ports of the United States, the mortgagee's position being subordinated by virtue of Title 46, United States Code, Section 951. After considering all possible alternatives, it was obvious that this limited range of situations could not be addressed through a mechanism for automatic administration and, consequently, the provision providing for judicial relief in the event of hardship or inequity was included.

Local Admiralty Rule E(6). Section (6) is new. It reflects the approach embodied in the local rules of those districts which have addressed the question of properties subject to arrest but already in the possession of an officer of the United States.

Local Admiralty Rule E(7). The provisions of Section (7) are new. Paragraph (a), following rules promulgated in other districts, states what is understood by the Advisory Committee to have been the practice in this District. Paragraph (b) is designed to mesh the concept of process held in abeyance with the requirements of Local Admiralty Rule E(2) regarding intervening claims, and is designed to foreclose the possibility of a vessel or other property being arrested or attached in the District as a result of more than one civil action. Since under Local Rule 5(b), the automatic, permissive intervention is not triggered until the vessel or other property has been arrested, attached or seized, a suit in rem in which process is held in abeyance will not form the basis for such an intervention. On the other hand, once the property is arrested, attached or seized, the issuance of process in the earlier suit would be destructive of the “only one civil action” concept, and, consequently paragraph (b) requires a party whose process was held in abeyance to refile and re-serve as an intervenor pursuant to Local Admiralty Rule E(2), making provision for the proper disposition of the earlier action.

Local Admiralty Rule E(8). Section (8) continues the provisions of former Local Rule 11.

Local Admiralty Rule E(9). Section (9) is new. The provisions of Section (j) are expressly authorized by Supplemental Rule E(6) and offer some potential relief from the automatic operations and other provisions of Supplemental Rule E regarding security for value and interest. The decision in *Industria Nacional del Papel, C.A. M V Albert F.*, 730 F.2d 622 (11th Cir. 1984), indicates that such an application must be made prior to the entry of judgment.

Local Admiralty Rule E(10). Section (10) is new. It is designed to reflect the actual practice in the District, and follows the rules promulgated in several other districts. In formulating this Local Admiralty Rule, the Committee studied Section 6.3 of the “Marshal’s Manual,” the internal operating guide for the United States Marshal’s Service. Section 10(b) was amended in 1998 to permit substitute custodians to move arrested vessels, pursuant to an order of the United States Coast Guard Captain of the Port (“COTP”), without first obtaining permission from the Court. The change was prompted by instances where substitute custodians declined to obey a COTP order to move an arrested vessel, citing Local Admiralty Rule E(10)(b) and its requirement that Court permission be first obtained. Any movement of a vessel pursuant to a COTP order must not take the vessel out of the District. A corresponding change was made in Form 5, paragraph(5).

Local Admiralty Rule E(11). Section (11) is new. It addresses areas which in recent litigation in the District have called excessively for interim judicial administration. While the subject matter is covered in the rules promulgated in other districts, Section (11) differs from the approach of other districts in providing for a more positive control of expenses being incurred in connection with vessels or other property in the custody of the Court, and is designed to avoid accumulated costs being advanced for the first time well after having been incurred.

Local Admiralty Rule E(12). Section (12) is new. It addresses a situation which has arisen in the District in the past and which can be foreseen as possibly arising in the future. While the

subject is not addressed in other local rules studied by any oft-cited leading cases, it was the opinion of the Advisory Committee that the area should be addressed by Local Admiralty Rule and that the provisions of Section (12) are both consistent with the general maritime laws of the United States and designed to permit efficient administration without the necessity for undue judicial intervention. As with the claims of intervenors and the allocation of deposits against custodial costs, the provisions of Section (12), in keeping with the design of these Local Admiralty Rules, are intended to be essentially self-executing, with the emphasis on the ministerial role of Court officers and services.

Local Admiralty Rule E(13). Section (13) continues the provisions of former Local Rule 17(a). It follows Federal Rule of Civil Procedure 41, and addresses the necessarily greater concern for costs and expenses inherent in the in rem admiralty procedure.

Local Admiralty Rule E(14). Section (14) continues the provisions of former Local Rule 13.

Local Admiralty Rule E(15). Section (15) incorporates the provisions of former Local Rule 14.

Local Admiralty Rule E(16) and (17). The provisions of former Local Rule 4 have been expanded to provide a standardized procedure governing sales of property, which procedure the Court, at its option, may utilize, in whole or in part, thus shortening and simplifying orders related to sales and accompanying procedures.

Local Admiralty Rule E(18). Consistent with the provision of Local Admiralty Rule E(2), this section gives express notice of the distinct positions of claims pre-sale and post-sale.
