TITLE: INTRODUCTION

RULES: 1

IOP 1 | INTRODUCTION

The Florida Rules of Appellate Procedure, the Florida Rule of Judicial Administration Rule 2.210 and Chapter 35 of the Florida Statutes govern the operation of the First District Court of Appeal. The internal operating procedures set out herein are intended to supplement those rules and do not supplant the rules promulgated by the Supreme Court of Florida. This manual is designed to disclose the established practices in the court, to aid practitioners and others who come before the court, and to orient new personnel of the court. These internal procedures do not and are not intended to create any substantive or procedural rights. A copy of these rules will be posted on the court's website. The master copy of these rules, with all current updates, will be kept by the clerk of the court.
