

§38.10 FS | DISQUALIFICATION OF JUDGE FOR PREJUDICE; APPLICATION; AFFIDAVITS; ETC.

Whenever a party to any action or proceeding makes and files an affidavit stating fear that he or she will not receive a fair trial in the court where the suit is pending on account of the prejudice of the judge of that court against the applicant or in favor of the adverse party, the judge shall proceed no further, but another judge shall be designated in the manner prescribed by the laws of this state for the substitution of judges for the trial of causes in which the presiding judge is disqualified. Every such affidavit shall state the facts and the reasons for the belief that any such bias or prejudice exists and shall be accompanied by a certificate of counsel of record that such affidavit and application are made in good faith. However, when any party to any action has suggested the disqualification of a trial judge and an order has been made admitting the disqualification of such judge and another judge has been assigned and transferred to act in lieu of the judge so held to be disqualified, the judge so assigned and transferred is not disqualified on account of alleged prejudice against the party making the suggestion in the first instance, or in favor of the adverse party, unless such judge admits and holds that it is then a fact that he or she does not stand fair and impartial between the parties. If such judge holds, rules, and adjudges that he or she does stand fair and impartial as between the parties and their respective interests, he or she shall cause such ruling to be entered on the minutes of the court and shall proceed to preside as judge in the pending cause. The ruling of such judge may be assigned as error and may be reviewed as are other rulings of the trial court.
