

RULE 25-7 | OBLIGATION TO NOTIFY COURT OF CHANGE OF ADDRESSES

Each pro se party and attorney exempt from electronic filing requirements has a continuing obligation to notify this court of any changes to the party's or attorney's mailing address and e-mail address, if any, during the pendency of the case in which the party or attorney is participating. Every attorney registered to use the ECF system has a continuing obligation to notify the PACER Service Center of any changes to the attorney's e-mail address, mailing address, telephone number, and fax number. The transmission of court documents to a previous address is effective if the pro se party or attorney has failed to comply with this rule.
